GEOMETRY

GEELY

SMART URBAN DESIGN.

The Geely Geometry combines a distinctive, compact design with electric efficiency. Its modern styling, rounded lines and unique personality make it the ideal city companion, delivering practicality with a fresh and contemporary look.

STAY CONNECTED ON EVERY JOURNEY.

The intuitive touchscreen infotainment system keeps everything within easy reach. With seamless smartphone connectivity and a user-friendly interface, the Geely Geometry makes every drive smarter, simpler and more enjoyable.

CONFIDENCE ON EVERY DRIVE.

Advanced driver assistance technologies help make every journey safer and more relaxed. Intelligent features enhance awareness on the road, providing extra confidence whether you're navigating busy city streets or open roads.

COMFORT ON EVERY JOUNEY.

Step inside a spacious and thoughtfully designed cabin where comfort meets functionality. A clean dashboard, ergonomic controls and clever use of space create a pleasant driving experience for both driver and passengers.
